TASTING NOTES:

The 2021 Cabernet Sauvignon was picked late in the season on October 29th. Gentle handling of the grape clusters helped to preserve beautiful fresh fruit character while retaining soft tannins. The grapes were kept on the skins for 8 days before being pressed directly to barrels to finish primary and then ML fermentation. Aged in 19% New French oak for 13 months. This bold yet approachable style Cabernet Sauvignon displays great complexity and structure. There are aromas of dark berry fruits and plum on the nose with long-lingering flavors of brambleberry and chocolate covered cherries on the palate.

VINTAGE NOTES - 2021:

2021 was a year marked by high heat, low yields, but outstanding quality. It was an unusual growing season in Washington, marked by a record heat event in late June, an overall hot growing season, and in many cases historically low yields. However, the quality of the fruit was great! These growing conditions created fruit with great concentration resulting in fruit-forward wines with a lot of ripe, fruity aromatics.
