Fruit, spice and everything nice! The 2022 Chambourcin opens with raspberry jam, fig, violet, clove and essences of freshly fallen autumn leaves. Juicy cranberry, raspberry and sour cherry notes ignite your taste buds with subtle notes of fresh sage on the finish. Savor this wine with your favorite seasonal dishes or on its own while reminding yourself that all is good and right in the world with a full glass of Chambourcin.

VINTAGE NOTES - 2022:

2022 was a year of new beginnings. Rebounding from a mostly lost vintage the year prior we saw roughly 65% of a normal harvest and a return of some of the vinifera grape varieties. The summer also saw a return of average-normal temperatures during the heart of the growing season leading to a long harvest season with even ripening grapes with great balance and symmetry in the resulting wines.
