STORY:

La Tierra is a tribute to the soil beneath our feet—the foundation of every vineyard and every bottle. This Colorado red blend reflects the rugged, high-desert terroir that defines our wines, a land where bold flavors thrive. With every bottle of La Tierra, we honor the earth by giving back to it, partnering with Zero Foodprint to restore and regenerate soils through climate-friendly farming practices. This wine is more than a celebration of the land—it's a commitment to its future. Savor the taste of Colorado's vibrant terroir and join us in nurturing the soil for generations to come.

TASTING NOTES:

Dark cherry and ripe plum lead the way, grounded by Tempranillo's earthy depth and subtle spice. Merlot brings plush blackberry and cocoa, rounding out the palate with supple texture. Cabernet Franc adds a lift of violet and a touch of savory herb, giving the blend structure and intrigue.

VINTAGE NOTES - 2023:

We are very excited about the 2023 vintage! Following a cooler than average spring that resulted in late bud break, weather conditions in the Grand Valley were warmer than average, including the third warmest July on record. Grape maturity made up ground quickly due to those warming temperatures during mid-summer which resulted in harvest dates that were closer to average, despite a lower crop load. Grape quality was reminiscent of 2019, yielding excellent fruit quality showcasing complex flavors, bright acidity, and beautiful aromatics.
