TASTING NOTES:

Roussanne is often used as a blending grape, but the 2023 vintage deserves its own stage as a solo act. Aromatic chamomile, pear and straw greet the senses and precede splashes of kiwi, key lime and papaya on the finish. It's our favorite vintage to date of Roussanne and sure to be the shining star of your wine collection.

VINTAGE NOTES - 2023:

The 2023 growing season in Horse Heaven Hills started cool and slow, with spring temperatures running below normal. Warmer weather returned in May, setting the stage for a more typical season overall. Yields were lighter, with smaller berries and tighter clusters, which translated into fruit of excellent quality and concentration. Sauvignon Blanc arrived early — as soon as late August — showing vibrant aromatics and lively acidity, while the reds developed great color, structure, and depth. The result is a vintage defined by energy and elegance, with wines that carry both immediate appeal and the promise of age.
