STORY:

Grown with love in the Grand Valley, and fed by the waters of the Colorado River (Once known as the Grand River), are lively, fruit-forward grape varieties explicitly grown to make sparkling wine as elegant as they are Grand. Since 2016, our award-winning wines have helped lift the Colorado wine industry into prominence as a wine region ripe with possibilities. Grand Premier pays tribute to our beautiful home state's soil and its abundant winemaking opportunities. An homage-worthy celebration!

TASTING NOTES:

Our Grand Premier Blanc de Blanc offers a refreshing diversion in sparkling wine. A unique trail mix of Gala apple, banana chips and raw coconut on the nose kick off the adventure. It then bursts with tropical pineapple and sweet clementine as it hits the taste buds and closes slowly like a lingering sunset. This wine confirms the adage that the journey is more important than the destination, which will most definitely be an empty glass.
